MEMORANDUM FOR: Director, Intelligence Community Staff
FROM: Director of Central Intelligence
SUBJECT: CIPC Study of NFIP Support to Contingency Operations

I had a good talk with Lenny Perroots today. He tells me that Nagy is around and has been tasked to develop subjects for the trip that Perroots and I plan to take to Europe. He won't be going away on the 21st, but probably somewhat later. I asked Perroots to have him take initial steps to get the CIPC defined and under way before his departure. He agreed that that should be done. Would you have the appropriate person follow through on this with Nagy.
